

Pentucket Lake Parents

Due to a number of incidents that have disrupted the learning environment and instruction, effective Friday November 2, 2018 the no toys policy will be reinstated at Pentucket Lake. This includes but not limited to beyblades, cars, squishes, slime, slinkies, fidget spinners. Please know that Pentucket Lake offers a variety of choices for students during the recess period. If you child requires a sensory accommodation to access the curriculum, please speak directly with the classroom teacher.

Sincerely,
The Pentucket Lake Staff
