

## **Pentucket Lake Food Policy**

Pentucket Lake believes that ALL students deserve a Safe and Supportive School. With that said, no longer will classrooms be able to accept food from the outside. Children should come to school each day with a **healthy snack** from home and will eat either a lunch packed from home or a cafeteria lunch. Children are not allowed to share food at any time.

Please keep in mind that healthy snacks = healthy mind and body.

If you are interested in recognizing your child's birthday, there are many alternatives to food such as pencils, erasers, stickers, etc.

The staff at Pentucket Lake thank you for your support and understanding - all our students are all our students.
