

# Welcome to The Pentucket Lake School **BOOK SWAP**

Need more books for your children to read at home? Want a better variety of books? Have a lot of children's books you've already read?

**The Book Swap** is located in Room 107 at our school. Families can visit The Book Swap anytime during the school year. Students can come during the school day. Bring in a few gently used books that your children have already read and take a few new books to read! Many books are leveled to help you choose. And when you are done with those books, you can swap again! You can return books to the bin with the matching level or to the donation box.

We are also **always looking for donations** of gently used books. Donations can also be left in the donation box.

**More books in students' hands = more reading!**

Questions?? Please contact Heather McNeil, Reading Coach at 978.374.2421 or [hmcneil@haverhill-ps.org](mailto:hmcneil@haverhill-ps.org)

---

**VOLUNTEERS NEEDED:** The Book Swap is also looking for adult volunteers to level donated books. You can do it at home or at school and the time commitment is very flexible. Directions will be provided. If you are interested, please fill out the information below and return to school with you child.
