

March 16, 2020

Dear Families,

The second grade team at Pentucket Lake has compiled some activities to help keep your child engaged during the dismissal. Please keep in mind that all work is **optional** and will not be graded but it is important that your child keep reading, thinking and growing during their time away from school.

Please read with and assist your child in completing these activities. That being said, the physical and mental health of our Haverhill families is very important to us. Please take the time to speak with your child about how they feel about the interruptions to their regular schedules.

The community is working diligently to address concerns and problems that may arise. Please reach out to friends, neighbors, school employees and others in your community for support if needed.

Stay well,

The Second Grade Team
